**Welcome Back for 2015.** It was wonderful to see so many happy smiling faces back today – despite the rainy weather most of the parents were having trouble containing their excitement!

This week our students have gone back into their old classes with their old teachers (with just a few exceptions). This gives everyone a chance to settle back in and for the classes to be finalised, including all our new students. At this stage we only need 2 new students to be able to form a 10th class. **Thank you to everyone for your patience with this.**

**Our swimming carnival is next Thursday.** This doesn’t leave us much time for organisation and for families to return the notes. However, it is vital that everyone has the note back by next Tuesday, at the latest. This is to allow us enough time to complete the workplace Health and Safety paper work requirements. The notes are on our internet site if you need another copy urgently.

**A couple of reminders:**

- 😊 to everyone who packs lunches – a number of our students have food allergies, some of them can be very severe or even fatal. For this reason we ask that you don’t pack nut products (such as peanut butter or Nutella) in lunches.
- 😊 we are a sun-safe school so “no-hat, no play”
- 😊 the morning assembly bell goes at 8.55am
- 😊 parking restrictions apply outside the school gates during school zone times – the fines are expensive if you do the wrong thing, but the outcomes could be much worse if a child is injured or killed because a driver was doing the wrong thing
- 😊 please put your child’s name on their clothing – we do have some laundry markers at the office if you would like to borrow one. At the end of last year we had 28 jumpers and jackets in lost property, along with 6 lunch boxes and drink bottles – only one had a name on it. This must be close to a world record.
LIBRARY NEWS...Don’t forget all children need to have a library bag to borrow books.

BOOK CLUB... Anyone wishing to order from issue 1 please place your money with order in an envelope and return to the office by Friday 12th Feb.

CANTEEN NEWS

The canteen is closed UNTIL Monday 2nd February
Building update - The old canteen has been completely gutted and still looks like a building site. The bricklayers have been in and done their work. The next step is for the tilers to come. The walls will be all white tiles to the ceiling.

We anticipate that the renovations will be finished by the end of term. Until then the canteen will be operating from the activities room between Mrs W-B and Mrs Ford’s rooms. Some menu items might not be available because of restricted operating space.

Next P&C meeting
Tuesday 3rd February – 6:30pm – In the Staffroom
We will be running a Barbeque at Bunnings, Glendale on Sunday 1st February. This is a major fundraiser for the new year. If you can spare a little time on this day it would be very much appreciated.

Co-ordinator - Mrs Jane Mifsud

Uniform room times
Monday mornings 8.45-9.15am
Thursday mornings 8.45-9.15am
Thursday afternoons 2.30-3.00pm

NEW

Our first order of backpacks sold out before they arrived at school. We now have more in stock.

Backpacks are $40 each and come with a 15 year manufacturer’s warranty.

A sample bag is available to look at in the office.
