Dear Parents,

You are invited to attend a Kindergarten Parent Night from **5pm to 6pm** next **Monday 27th February** to be held in the Kindergarten rooms. This is a chance to meet other parents and have a look at the work your child has been doing. We will also give you information on topics such as:

*What your child will be taught in Kindergarten

*School expectations and class routines

*Homework and home reading

*Guided reading groups and helpers

*Best Start results

If you have any other topics you would like general information about, please let us know on the note below. If you need specific information about your child and their progress please make an appointment to see us. Students do not need to come to this session.

We are very proud of the way that all students have settled into routines and know that you will be amazed just what they fit into their days! We even have some photos and video clips to show you!

We are looking forward to meeting you.

Kind regards,

Cheryl Norrish and Rachel Delaney
